### ***Inside each of us***

*Inside each of us is a home,  
Where God and love may dwell.  
A place of warmth and safety,  
A place of welcome and forgiveness,  
And there God makes his home,*

*Or inside each of us is a garden,  
Where God and love may grow.  
Soil of beauty and colour  
Of variety and growth,  
And there God makes his home.*

*Our home needs care  
And our garden needs tending,  
And then they are places of love  
And space of growth,*

*And others may live and grow  
In one care and our love.*

*The next generation grows in the  
shade of the previous,  
And we need to care for our home,  
If others are to find safety there,  
And if it is to be the dwelling-place of  
God.*

*And we need to nourish the garden  
If the fruit is to be sound,  
And the tree strong,  
And others live in the shadow  
And gather good fruit.*

*We are a mixture of good and bad,  
And in prayer and love  
We nourish the good*

### **ST. PETER'S CEMETERY**
