HAND-OUTS OR DONATIONS

Sometimes we are left wondering, will the money we have given to those begging at the Church doors make matters worse for them? Sadly, the answer is **yes**. That is where organisations like the Five Loaves, Simon, Vincent de Paul and addiction support groups, can help us. These unfortunate "neighbours" who beg, are well known to the support organisations. These organisations are only too willing to provide the necessary help and support to address their particular issues. We would, therefore, **strongly** recommend that you **do not give money directly** to those who beg at the Church door. Instead, if you do want to help, we would encourage you to give through the helping organisations. Money given at the Church door, unfortunately, is used for the wrong purposes. Some people have even said that they feel intimidated, which is a worrying development. For this reason, we have asked the Gardai to be a presence for a number of weeks after Masses so as to discourage drug dealing in the plaza in front of the Church. Unfortunately, it has become a favourite area for this trade. We would ask you instead to support the town's charities and support groups who provide for the real needs of the poor and afflicted.
