The most important day of this month is world Mission Sunday which takes place today. This is the one Sunday which Pope Francis asks you to pray a little stronger and dig a little deeper so that faith, hope and love can flourish. Contributions given on World mission Sunday will support the fearless and selfless work of our missionaries, who live shoulder to shoulder with people in communities that are struggling and often war-torn. Mission month and Mission Sunday is a time for you to fully appreciate the dedication of those missionaries who are there before, during and after any crisis.

**TODAY Mission Sunday will replace the Share Collection at all Masses.**
