**SAFEGUARDING DAY**

Safeguarding is all the things we do to ensure that children and vulnerable adults are protected from harm. Everyone who ministers in the parish is a representative of the Church and must observe safeguarding practices and guidelines. Good safeguarding practice is part of what it is to minister in the Church. Last year alone nearly 3,000 people from parishes throughout the Diocese attended safeguarding training, which is an indicator of the priority the Diocese gives to it. Shortly, our own parish will be reviewing the Garda vetting status of our volunteers and making sure they are up to date. We will be in touch with those who's vetting is nearing expiry.
