

EASTER BLESSINGS

"On this Easter morning, let us look again at the lives we have been so generously given and let us let fall away the useless baggage that we carry – old pains, old habits, old ways of seeing and feeling – and let us have the courage to begin again. Life is very short, and we are no sooner here than it is time to depart again, and we should use to the full the time that we still have.

We don't realize all the good we can do. A kind, encouraging word or helping hand can bring many a person through dark valleys in their lives. We weren't put here to make money or to acquire status or reputation. We were sent here to search for the light of Easter in our hearts, and when we find it we are meant to give it away generously.
